

Brazilian Waxing Workshop

The LYCON Brazilian waxing method has been carefully developed by Lydia Jordane to ensure each therapist is equipped with the confidence and skill to provide a professional, consistent and comfortable Brazilian... **every** time!

TOPICS COVERED:

- Overview of LYCON products that will be used during the workshop
- Hygiene and client preparation
- Application techniques
- Brazilian waxing demonstration by a LYCON trainer
- Practical training and technique appraisal (under supervision of a LYCON trainer).

DURATION: 3 hours

PRE-REQUISITE:

All participants need to have completed their waxing module and must provide a model for the workshop. LYCON will provide all other necessary tools. Upon booking, participants will be asked to provide a copy of one of the following qualifications: Diploma in Applied Science (Beauty Therapy), Certificate IV of Beauty Therapy, Diploma in Hairdressing and/or Certificate IV of Hairdressing.

Upon successful completion of the course, participants will receive a laminated LYCON Brazilian waxing certificate. We look forward to welcoming you to LYCON's special and rewarding workshop!

\$200
per person
