gelcolor
by OPI

Iconic OPI colours
in a new, polish-on
gel formula!

- Fast, polish-on application
- Lightning speed, 30-second cure
- Distinctive OPI bottle; custom brush
- 100% colour gel formula - wears like gel; looks & feels like nail lacquer
- Easy-to-use, economical removal system
- Can be used with either OPI LED or UV lights

ICONIC OPI COLOURS

lightning speed cure • weeks of glossy wear

New gel technology. New polish on gel formula GelColor by OPI gives clients weeks of glossy OPI colour in a service only your salon can deliver.

Faster.

Lightning speed, 30-second cure. GelColor by OPI is fully LED cured from foundation to finish in 4 minutes per set, versus 12 minutes-plus for standard UV cure.

Proven.

Independent lab testing showed GelColor by OPI's shine-intense shades maintain shine after 2 weeks.

GelColor Base Coat

- One coat provides a gentle foundation
 - 30-second LED cure
- 15ml - \$34.95
GC010

GelColor

- Choose from 30 iconic OPI shades

- 15ml - \$34.95
GC009

GelColor Top Coat

- Indelible shine and protection
 - Weeks of glossy wear
 - 30-second LED cure
- 15ml - \$34.95
GC030

CHOOSE FROM 30 ICONIC OPI SHADES.

From deep and edgy, sheer to shimmer – we've got your colour!

More Profitable. GelColor by OPI delivers unbelievably affordable services. And, it removes at a fraction of the cost of other colour gels.

OPI LED Light Lightning-speed services

The wavelength of the future

- Full five-finger curing
- Hand-sensor activated
- Spacious, comfortable interior for all hand sizes & nail lengths
- Adjustable "feet" for convenient pedicure use
- 15, 30, 45, & 60-second memory settings
- 32 strategically-placed, silicone-encapsulated LEDs
- 50,000 hours of LED performance (long-lasting LED performance)
- Durable metal construction
- 2 easy-access power ports
- 2-year manufacturer warranty
- Mirror-finish interior for even light distribution

Fast Application.

Apply Base Coat:

- Polish on
- Cap free edges
- Cure 30 seconds.*

Apply GelColor:

- Shake bottle; Polish on thin coat (1st coat may not provide true colour coverage)
- Cap free edges
- Cure 30 seconds.*
- Repeat application & cure for 30 sec.

Apply Top Coat:

- Polish on
- Cap free edges
- Cure 30 seconds.*
- Wipe with N.A.S. 99

Simple Removal.

Saturate Expert Touch Rem over pad with Expert Touch Rem over.

Place over gel & wrap finger.

Check after 15 minutes; gently push off gel with Reusable Cuticle Stick.

* Cure 30 seconds using OPI LED light. If using OPI Axiom UV light, cure 2 minutes each
