Adam&Eve Lust Beads

Specifically formulated for Brazilian waxing. Lust sticks to hair not skin, and provides a less painful waxing experience. Lust is extremely pliable, pleasantly scented and can be used at low working temperatures. It remains flexible for a longer time so it removes easily. Pretty pale pink beads designed for delicate areas.

Wax Ranges

Adam&Eve manufactures superior salon-only professional waxes including the popular easy to use beaded hot waxes. Ultra-thin spreading strip waxes also available plus 100ml fixed head fully disposable cartridges.
